

- When you invest in the YMCA's Partner of Youth Campaign you are investing in programs that nurture the healthy development of our children, encourage positive behavior in our teens, strengthen families and enhance the health and well-being of older adults.
- In addition to helping kids and families develop healthy lifestyles, the YMCA of Youngstown teaches caring, respect and responsibility. Unfortunately, there are many people in our community who do not get the opportunity to experience all the Y has to offer.
- Your generosity will enable the YMCA to offer financial assistance for memberships and programs to deserving children, families, adults and individuals with disabilities.

Every dollar donated to this campaign stays right here in our community, helping our kids and our families.

Last year alone the YMCA of Youngstown awarded **over \$500,000 in financial assistance** to over **3,000** youths, **600** families, **1,500** adults, and **1,000** disabled individuals!
